In-church Services Resume

It is good to be able to meet once again in our lovely church. With this opportunity, we need to be aware of the guidelines of the Diocese. Our service can be no longer than 40 minutes when it is Holy Eucharist. Also, to receive the Bread, please form a single line, safely distanced and receive the Host standing in the center aisle. Hopefully, it won't be long until these restrictions will be waved. As we must continue to wear a facemask and sit socially distanced inside the church, unfortunately, there can be no

congregating afterwards at the back of the church. ***Feel free to join friends afterwards outside, in the labyrinth or on the lawn (weather permitting).***

If anyone feels unwell, please stay at home.

Online Access will Continue

We will continue to live-stream the service for those not able to attend in person, and we have resumed videotaping.

Services can be watched by accessing the website christchurchanglican.ca on our Youtube channel on Sunday morning.

Christ Church Outreach

The last Community Dinner was delivered on **Tuesday, June 22nd**. **This will be the last of the meals served before summer break.** We also wish Chef Gilles (aka postulant Gilles Hache) and his staff and volunteers at *Chez Gilles Fine Dining and Catering* a well-deserved break! **The next meals will be in August.**

Meaford Children's Choir

Because of such great enthusiasm, the children's choir will continue throughout the summer. **The choir meets on Tuesdays from 6:55 pm - 7:30 pm via Zoom.** This will continue until the end of August 2021. Lauren, the Choir Director, says to "please feel free to invite friends!" Also, she is extending the invitation for new choir members to join, including those from outside of the Meaford area. It is appreciated if new and returning members RSVP to her email address which is meafordchildrenschoir@gmail.com so that she knows who will be attending, names and ages of new choir members, etc. There is no need to commit to the whole session, and there continues to be no cost to participate. You can get the Zoom link from Lauren.

FROM OUR COMMUNITY

Here is last week's photo.

Gord Light and Barb Liotskos answered that this is **Beautiful Joe Park**. This park is a beautiful shady spot surrounded by perennial gardens and a picnic pavilion. It also gives tribute to Margaret Marshall Saunders, author of the book, *Beautiful Joe* and is home to a

memorial to the Military Canine Unit and those that have served us well in days past.

Here is this week's photo. Can anyone name the flower? We can look forward to these soon.

Pictures of your gardens, wildflowers of the area, landscapes and historic places would be appreciated. You may put photos in the dropbox at the entry doors to the church, or send a jpeg to office@christchurchanglican.ca.
