We Offer In-church & Live-streamed

News: - *With the move of the province to Step 3 of Reopening our Province effective Friday, July 16, 2021, our diocesan Reopening our Churches, will also come into effect on July 16th. For the moment, in-person worship will be limited to the number of people that can be safely physically distanced (2m) and small meeting groups and fellowship gatherings will be allowed (details yet to come).*

Please note that we are having technical difficulties with our live-streaming but expect to have it up and running soon. We apologize if you were unable to watch last Sunday. Stay tuned!

Videotaped parts of the service can be watched by accessing the website christchurchanglican.ca on our Youtube channel on Sunday mornings and afterward.

The Chancel Guild asks that if anyone has some large sized yogurt containers, they would be appreciated. They are used to deliver memorial flowers and work well with foil covered on outside of them.

Please bring them with you on Sunday and leave at the back of the church or in the dropbox outside the main entry doors.

Christ Church Outreach

Do You Have an Hour or Two to spend helping to clean up the kitchen? A date will be announced likely in August. **Please send us an email office@christchurchanglican.ca or call 519-538-1330 and leave a message with your availability for this essential ministry.**

Community Meals are taking a break. We wish Gilles, all the delivery people as well as the servers and prep staff a well-deserved summer break.
